Album : Ocean Machine - Live at the Ancient Roman Theatre Plovdiv (24-bit HD audio)

Time is a human construct

And you were below the waves

Time after time

July was in her eyes

But you lie, you lie

To your soul

Your soul

Your soul

Let it fly

I remember the rainy days in Chinatown

Oh, I hope you'll be ok

Time after time

July was in her eyes

But you lie, you lie

To your soul

Your soul

Your soul

Your soul

All we're offering is a chance to be loved

Loved

Loved

Loved
