Paranoid

Par Dexter and The Moonrocks

Album : Paranoid

Finished with my woman, 'cause
She couldn't help me with my mind
People think I'm insane because
I am frowning all the time

All day long I think of things
But nothing seems to satisfy
Think I'll lose my mind
If I don't find something to pacify

Can you help me

Occupy my brain?

Oh, yeah

I need someone to show me
The things in life that I can't find
I can't see the things that make
True happiness, I must be blind

Make a joke and I will sigh

And you will laugh and I will cry

Happiness I cannot feel

And love to me is so unreal

Can you help me

Occupy my brain?

Oh, yeah

Can you help me

Occupy my brain?

Oh, yeah

And so as you hear these words

Telling you now of my state

I tell you to enjoy life

I wish I could but it's too late
