It's Electric

Par Diamond Head

Album : Lightning To The Nations (Vinyl)

I'm gonna be a rock and roll star

Gonna groove from night to day

Gonna blow my honey jar

Gonna blow my blues away

I'm gonna make a stand

Gonna make a million

Gonna make it with you

I'm gonna be right my friend

I'm gonna push it through

It's Electric, It's Electric

It's Electric, It's Electric

I stop on red but I leave on amber

Danger paves my way

I'm gonna make it my friend

Gonna make it today

Gonna get this dust from my heels

Down the Highway I go---whoa

Gonna get the stars from my route

Make it in a rock and roll show---whoa whoa

It's Electric, It's Electric

It's Electric, It's Electric

I stop on red but I leave on amber

And you face my way

I'm gonna make it my friend

Gonna make it today

Gonna get the dust from my heels

Down the Highway I go---whoa

Gonna get the stars from my route

Make it in a rock and roll show

It's Electric, It's Electric

It's Electric, It's Electric

It's Electric, It's Electric

It's Electric, It's Electric
