Ain't No Mountain High Enough

Par Diana Ross

Album : Time Life - Sounds Of The Seventies - Rock 'N' Soul Seventies

If you need me, call me

No matter where you are

No matter how far

Just call my name

I'll be there in a hurry

On that you can depend and never worry

You see, my love is alive

It's like a seed that only needs the thought of you to grow

So if you feel the need for company

Please, my darling, let it be me

I may not be able to express

The depth of the love I feel for you

But a writer put it very nicely

When he was away from the one he loved

He sat down and wrote these words

No wind (no wind)

No rain (no rain)

Nor winter's cold

Can stop me, babe

(Oh, babe) baby (baby)

If you're my goal

No wind, (no wind)

No rain, (no rain)

Can stop me, babe

If you wanna go

I know, I know you must follow the sun

Wherever it leads

But remember

If you should fall short of your desires

Remember life holds for you one guarantee

You'll always have me

And if you should miss my lovin'

One of these old days

If you should ever miss the arms

That used to hold you so close, or the lips

That used to touch you so tenderly

Just remember what I told you

The day I set you free

Ain't no mountain high enough

Ain't no valley low enough

Ain't no river wild enough

To keep me from you

Ain't no mountain high enough

Ain't no valley low enough (Say it again)

Ain't no river wild enough

To keep me from you

Ain't no mountain high enough

Nothing can keep me

Keep me from you

Ain't no mountain high enough

Nothing can keep me

Keep me from you

Ain't no mountain high enough

Ain't no valley low enough (Say it again)

Ain't no river wild enough

To keep me from you

Ain't no mountain high enough

Ain't no valley low enough (Say it again)

Ain't no river wild enough

To keep me from you

Nothing in this world, nothing in this world

Could keep me from you, babe

Just call my name, I'll be there

Just call my name, I'll be there now

Ain't no mountain high enough

Nothing can keep me

Keep me from you

Ain't no mountain high enough

Nothing can keep me

Keep me from you
