I'll Be Missing You

Par Diddy X Faith Evans X 112

Album : Pop Classics -The 90s (2024)

Yeah, this right here (Tell me why?)

Goes out, to everyone, that has lost someone

That they truly loved (C'mon, check it out)

Seems like yesterday we used to rock the show

I laced the track, you locked the flow

So far from hangin' on the block for dough

Notorious, they got to know that

Life ain't always what it seem to be (Uh-uh)

Words can't express what you mean to me

Even though you're gone, we still a team

Through your family, I'll fulfill your dream (That's right)

In the future, can't wait to see

If you open up the gates for me

Reminisce some time, the night they took my friend (Uh-huh)

Try to black it out, but it plays again

When it's real, feelings hard to conceal

Can't imagine all the pain I feel

Give anything to hear half your breath (Half your breath)

I know you still living your life, after death

Every step I take

Every move I make

Every single day, every time I pray

I'll be missing you

Thinkin' of the day

When you went away

What a life to take, what a bond to break

I'll be missing you

I miss you Big

It's kinda hard with you not around (Yeah)

Know you in heaven smilin' down (Eh, eh)

Watchin' us while we pray for you

Every day we pray for you

'Til the day we meet again

In my heart is where I'll keep you friend

Memories give me the strength I need (Uh-huh) to proceed

Strength I need to believe

My thoughts Big, I just can't define (Can't define)

Wish I could turn back the hands of time

Us in the siz, shop for new clothes and kicks

You and me takin' flicks

Makin' hits, stages they receive you on

Still can't believe you're gone (Can't believe you're gone)

Give anything to hear half your breath (Half your breath)

I know you still living your life, after death

Every step I take (Oh Lord)

Every move I make (I miss you)

Every single day, every time I pray

I'll be missing you (Yeah, yeah)

Thinkin' of the day

When you went away

What a life to take, what a bond to break

I'll be missing you

Somebody tell me why?

On that morning

When this life is over

I know

I'll see your face

Every night I pray, every step I take

Every move I make, every single day

Every night I pray

Every step I take (Every day that passes)

(Is a day that I get closer) Every move I make

Every single day (To seeing you again)

Every night I pray, (We miss you Big), every step I take (And we won't stop)

Every move I make ('Cause we can't stop), every single day (That's right)

Every night I pray, every step I take

Every move I make, (We miss you Big) every single day

Every step I take (Oh no)

Every move I make (I miss you)

Every single day, every time I pray

I'll be missing you (Yeah, yeah)

Thinkin' of the day

When you went away

What a life to take, what a bond to break

I'll be missing you

Every step I take

Every move I make

Every single day, every time I pray

I'll be missing you (I'll be missing you)

Thinkin' of the day (Thinkin' of the day)

When you went away

What a life to take, what a bond to break

I'll be missing you

Every step I take (On that morning)

Every move I make (When this life is over)

Every single day, every time I pray (I know)

I'll be missing you (I'll see your face)

Thinkin' of the day (On that morning)

When you went away-
