A Slick Chick (On the Mellow Side)

Par Dinah Washington

Album : Low Down Blues

I'm a slick chick

On a solid kick always lookin' ready

Man, I'm on the mellow side

I'm a sharp queen

I make the hep cats scream

Know just how to send them

Man, I'm on the mellow side

Now when I start to jivin'

Beneath a groovy moon

Jack, you'll holler murder

And swoon, swoon, swoon

I'm a slick chick

I know that's the lick

Gee, I'm a killer

Man, I'm on the mellow side

Always lookin' ready

Man, I'm on the mellow side

Yeah, I know just how to send' em

Man, I'm on the mellow side

Oh, when I start to jivin'

Beneath a groovy moon

Jack, you'll holler murder

And swoon, swoon, swoon

I'm a slick chick

Don't you know that's the lick

Gee, but I'm a killer
