Lovers Who Wander

Par Dion

Album : Billboard Top Pop Hits: 1962

When she kissed me I was born and she said goodbye

And I knew right away I was born to cry

Now I'm happy and the joke's on her

Cause I found that place for lover's who wander

Yeah oh ooh

Domdom-didit de domdom-didit

De lah lah lah lah

She took my love, said she's not comin back

So my world and my sky was all turnin black

Now I see the light, I'm wise to her

Cause I found that place for lovers who wander

Yeah whoa whoa oh

Dom de whoa oh oh, dom de whoa oh oh

Domdom-didit de domdom-didit

De lah lah lah lah

A walkin around thinkin about her

Never thought I could live without her

She broke my heart, I really showed it

Look at me now, you'd never know it

Now my story can be told with a smiling face

I'm the luckiest guy in the human race

My dreams have gone for her

Cause I found that place for lover's who wander

Whoa whoa whoa yeah, she took my love you see

Yeah whoa, she doesn't bother me

Yeah I found that place to be

Yeah, ohhhhhhhhhhhhhhhh

Yeah walkin around thinkin about her

I never thought I could live without her

She broke my heart, I really showed it

Look at me now, you'd never know it

Now my story can be told with a smiling face

I'm the luckiest guy in the human race

All my lovin dreams have gone for her

Cause I found that place for lover's who wander

De dom dom didit de dom didit
