Six Blade Knife

Par Dire Straits

Album : Best Of 1977-1995

Your six blade knife

Do anything for you

Anything you want it to
One blade breaking my heart
One blade tearing me apart

Your six blade knife

Do anything for you

You can take away my mind like you take away the top of a tin
When you come up from behind and lay it down cold on my skin
Took a stone from my soul when I was lame
Just so you could make me tame, yes
You take away my mind like you take away the top of a tin

I'd like to be free of it, babe

I don't want it no more

I'd like to be free of it now

I don't want it no more

Everybody got a knife it can be just what you want it to be

A needle, a wife or something that you just can't see

Your six blade knife, keep you strong

Yes and it'll do me wrong

Your six blade knife

Do anything for you

Do anything

Anything
