08 - The World's Gone Crazy

Par Di-Rect

Album : All Systems Go

Every time I watch TV

Scenes of inhumanity

She lost her boy, he lost his head

And all he did was serve with someone else

While the suits and ties move up

In their million dollar homes

Well the world's gone crazy

And in a loose rotation

Crazy world, crazy world

So the world's gone crazy

And it's waiting there for you

And what about the other guys

No remorse or compromise

Taking lives like I have wine

He never had the chance to say goodbye

And we don't know what it's like

To be sure you're gone by night

So the world's gone crazy

And in a loose rotation

Crazy world, crazy world

The world's gone crazy

And will be taken

The world's gone crazy

Where's my father tears have shed

Did he leave?

Oh girl, would it have mattered

If they'd said

He might be here

Somewhere

And why the world's gone crazy

I will never understand

How we got this crazy

Oh, it's a crazy world

Yeah, the world's gone crazy

And I wonder where it ends

Oh, the world's gone crazy

And it's waiting there for you

Tick-tock, tick-tock

Never come, we'll be gone

Tick-tock, tick-tock

It's a crazy world

Tick-tock, tick-tock

Never come, we'll be gone

Tick-tock, tick-tock
