The Night

Par Disturbed

Album : The Collection (LP #4: Indestructible) (24 Bit Vinyl Rip)

What has come over me?

What madness taken hold of my heart?

To run away, the only answer

Pulling me away to fall upon (the night)

The source of my recovery

Sweet shadow taking hold of the light

Another day has been devoured

Calling me away, begging a question

Why?

For saving me from all they've taken

Let my honor fall again

Giving me the strength to face them

Feeling it taking over

Now, on a path to take it all away

There can be no better way of knowing

In a world beyond controlling

Are you gonna deny the savior

In front of your eyes?

Stare into the night

Power beyond containing

Are you gonna remain a slave

For the rest of your life?

Give into the night

This self-discovery

Redemption taking hold of my mind

A serenade of haunting voices

Calling me away to feast upon (the night)

The source of my felicity

Dark maiden taking hold of my hand

Lead me away, from hibernation

Strong and unafraid, never a question

Why?

For saving me from all they've taken

Let my honor fall again

Giving me the strength to face them

Feeling it taking over

Now, on a path to take it all away

There can be no better way of knowing

In a world beyond controlling

Are you gonna deny the savior

In front of your eyes?

Stare into the night

Power beyond containing

Are you gonna remain a slave

For the rest of your life?

Give into the night

Give into the night

In a world beyond controlling

Are you gonna deny the savior

In front of your eyes?

Stare into the night

Power beyond containing

Are you gonna remain a slave

For the rest of your life?

Give into the night

Night, night, night

Give into the night

Night, night, night

Give into the night

Give into the night
