All the Things You Are

Par Dizzy Gillespie

Album : Absolutely the Best Dizzy Gillespie

You are the promised kiss of springtime
That makes the lonely winter seem long
You are the breathless hush of evening
That trembles on the brink of a lovely song

You are the angel glow that lights a star

The dearest things I know are what you are

Some day my happy arms will hold you

And some day I'll know that moment divine

When all the things you are, are mine

You are the angel glow that lights a star

The dearest things I know are what you are

Some day my happy arms will hold you

And some day I'll know that moment divine

When all the things you are, are mine
