# Freedom (Radio Version)

Par D.J. Bobo

*Album : Dance Mission - Vol. 10*

refrain:

believe in freedom in love and fortune

and all we need is a peace of heaven

believe in freedom in love and fortune

and all we need is a peace of heaven

we all need love

freedom, come on everybody

we all need love

freedom, let's live for freedom

rap 1:

i don't know what you're believin in  
is it love or fortune or a fight to win  
i don't know to what you say, this is the thing  
is it a peace of heaven, that makes you swing freedom,  
is the magic word the only thing that will never hurt peace,  
like in a movie scene we try together and start to scream

rap 2:

yes! i know you want some more  
from what i said, just right before  
so clap your hands to the beat of the sound  
put your hands in the air and back to the ground  
i never saw a jam like this before  
back to the front and door to door  
if you want some more, get on the floor  
love will come and that's for sure

refrain:

**believe in freedom in love and fortune**

**and all we need is a peace of heaven**

**believe in freedom in love and fortune**

**and all we need is a peace of heaven**

we all need love

freedom, come on everybody

we all need love

freedom, let's live for freedom

we all need love

rap 3:

scream and scream it out of your soul try to escape

and get out of control get out of control

and save your soul stop this violence,

say no no no no more pain,

no more lies no more panic in the childrens eyes freedom,

believe it in take a peace of heaven and you will win
