I Like Tuh

Par DJ Carnage

Album : Papi Gordo

(Tuh) I like to make money, get turnt

I like to make money, get turnt

I like to make money, get turnt

Got the white girl twerkin' like the work

I like to make money, get turnt (turnt)

I like to make money, get turnt (turnt)

I like to make money, get turnt

Got the white girl twerkin' like the work

I pull up on the scene

Got a pocket full of white and the green

Bitches out of town know what I mean

They're like a song, goddamn, we wanna sing

I smoke the best weed in the States

I don't fuck 'round with no fakes

I have to scrape the whole damn plate

I like to go to Steak n Shake (oh)

I like to make money, get turnt

I like to make money, get turnt

I like to make money, get turnt

Got the white girl twerkin' like the work

I like to make money, get turnt

I like to make money, get turnt

I like to make money, get turnt

Got the white girl twerkin' like the work (tuh)

I like to roof off in the booth

Had to mix the white with the Goose

Pineapple with a little bit of juice

Your girl over there, you know she gon' choose

We the winners, natural-born sinners

Come off in this bitch like, "Yeah, what's for dinner?"

Eat these chumps up, and spit 'em back out

I'm the hottest motherfucker in the north and the south now

I make money and get turnt

Spend it all at the bank

Put it all on dank

We don't play no games

I like to make money, get turnt

I got the white girl twerkin' like the work

I got my work twerkin' like the lil' white girl

I used to make it all off the white girl, now I just

Make money, get turnt

I like to make money, get turnt

I like to make money, get turnt

Got the white girl twerkin' like the work

I like to make money, get turnt

I like to make money, get turnt

I like to make the money, get turnt

Got the - girl twerkin' like the work

I like to

Got the white girls twerkin' like the work

I got to-, I gotta-, I gotta-, I gotta-, I got to-

I like to make money, get turnt

I like to make money and get turnt

I like to make money, get turnt

Got the white girls twerkin' like the work

Like the work

Twerk, twerkin' like the work

Got 'em twerkin' like the work

Got 'em twerkin' like, twerkin' like the-, uh

Make the money, get turnt

I like to make money, get turnt

I like to make the money and turn

Get the white girls twerkin' like the work, damn
