Coming Back (Radio Mix)

Par DJ Dado

Album : Joy "Pride & Joy" - Volume 2 [Disc 2]

I believe in love

One day you went away

? Cause there were no more reasons to stay

You just opened up the door

Oh baby and walked out of my life

One day you'll come to me

To say you never stopped loving me

I will insist but I know

All I want is you now

Coming back coming back

Coming back into my arms baby

Coming back coming back

Coming back into my heart

One day you walked away

Cause there were no more reasons to stay

[I'm trying to forget the past

But I can't it's too hard for me now

One day you'll come to me

To say you never stopped loving me

You will insist and you know

I will not say no

Coming back coming back

Coming back into my arms baby

Coming back coming back

Coming back into my heart
