Brand New Funk (Album Version)

Par DJ Jazzy Jeff & The Fresh Prince

Album : He's The DJ, I'm The Rapper

Ready Rock C- "get down"

[Fresh Prince] It's new, it's out of the ordinary

It's rather extraordinary,

So yo bust this commentary

A literary, genius, and a superior beat creator

Have come together, and we made a

Musical composition which we think is a remedy

To cure all the dance floors that's empty

You wanna dance? We got what you want

Jazzy Jeff and Fresh Prince bustin out with the brand new funk

-Get down brand new funk-hit it

It was kind of an accident, the way that it happened

One day I was rappin, and on the beat, Jeff was backin me up

And all of a sudden, he brought in a cut And I dropped my microphone and said,

"What the...? Hold up, Jeff, wait a minute, play it"

He just smiled and said, "Yeah def ain't it?"

It was {funky} it made wanna {get, get down!} And we knew almost at once it was

The {brand new funk}

So we continued to listen to it

And we knew it was def when I started rappin to it

So I gave a hi-five to Jeff and without hesitation popped in my cassette

I took it home that night, and analyzed it

Rewound the tape over and over, and memorized it

That Friday, we went to the club And out and out cold tore it up!

You shoulda seen the people dancin and shakin and movin and jumpin and spinnin

And clappin, while the beatboxin was groovin and screamin and yellin while on

The microphone I was flowin

Fresh rhymes I was showin, the people say, "Yo keep goin" So I continued to

Rock, while Jeff was on the beatbox Special assistance from my homeboy Ready

Rock

People barged just to get up front to get a bird's eye view of what we call the

Brand new funk

Ge-Ge-Get down-hit it

Yo Jeff! {Rock the beat} Yo Jeff! {Rock the beat} Yo Jeff! {Rock the beat} *

Jazzy Jeff cuts and scratches * Yo Jeff! {Rock the beat} Yo Jeff! {Rock the

Beat} Yo Jeff! {Rock the beat with your hands.}

Jazzy Jeff cuts and scratches * Now get funky with the beat!

Jeff starts spinning backwards * Now turn it all around!

The most original, amazing, astounding, miraculous remarkable, startling,

Sensational, stupendous music

That has ever been created is ours - but believe me it was complicated

But we have done it, so now we can breathe a long awaited sigh of relief

This isn't a publicity stunt It's the raw untouched, pure, hard brand new funk!

{Rock the beat} {Rock the beat} {Rock the beat} {Rock the beat} {Rock the beat}

{Rock the beat} * Jazzy Jeff cuts and scratches * {Rock the beat with your

Hands.} {Rock the beat} {Rock the beat} {Rock the beat} {Rock the beat} {Rock
