Kill Bill

Par Dj Leao

Album : Kill Bill

I'm still a fan, even though I was salty

Hate to see you with some other broad, know you happy

Hate to see you happy if I'm not the one drivin'

I'm so mature, I'm so mature, I'm so mature

I got me a therapist to tell me there's other men

I don't want none, I just want you

If I can't have you, no one should, I'm like

I just killed my ex, not the best idea

His new girlfriend's next, how'd I get here?

I might kill my ex, I still love him, though

Rather be in jail than alone

I get the sense that it's a lost cause

I get the sense that you might really love her

The text gon' be evidence, he texts his evidence

I talked to Russian with you, no murders

No crimes of passion, but damn, you is out of reach

You is at the farmer's market with your perfect peach

Now, I'm in the basement, playin' on my patience

Now you lying face-down, got me singin' over and over

I'm so mature, I'm so mature, I'm so mature

I got me a therapist to tell me there's other men

I don't want none, I just want you

If I can't have you, no one will, I'm like

I just killed my ex, not the best idea

His new girlfriend's next, how'd I get here?

I might kill my ex, I still love him though

Rather be in jail than alone

I did it all for love, I did it all on no drugs

I did it all this sober, I did it all for us

I did it all for love, I did all this on no drugs

I did it all, all of this sober

Don't you know I did all for us?

I just killed my ex, not the best idea

Kill his girlfriend's next, how'd I get here?

I just killed my ex, I still love him, though

Rather be in hell than alone
