Par DJ Tomcraft

Album : MUC

Happiness

And loneliness

Happiness

And loneliness

Happiness

And loneliness

Happiness

And loneliness

And loneliness

Happiness seems to be loneliness

And loneliness killed my world

How could you guess, when you're only thinking of yourself

And how you look to other girls?

Happiness seems to be loneliness

And loneliness killed my world

How could you guess, when you're only thinking of yourself

And how you look to other girls?

Happiness seems to be loneliness

And loneliness killed my world

How could you guess, when you're only thinking of yourself

And how you look to other girls?

Happiness

And loneliness

Happiness

And loneliness

Happiness seems to be loneliness

And loneliness killed my world

How could you guess, when you're only thinking of yourself

And how you look to other girls?

Happiness seems to be loneliness

And loneliness killed my world

How could you guess, when you're only thinking of yourself?

And how you look to other girls?

Happiness seems to be loneliness

And loneliness killed my world

Happiness seems to be loneliness

And loneliness killed my world

Happiness seems to be loneliness

And loneliness killed my world

Happiness seems to be loneliness
