There's a Honky Tonk Angel (Who Will Take Me Back In)

Par Dobie Gray

Album : Drift Away: His Very Best

When was the last time you kissed me

And i don't mean a touch now and then

It's been a long time since you felt like my woman

And even longer since i felt like you man

*So tell me if you think it's over

And i'll leave up to you how it end

Cause if you don't want the love i can give you

Well there's a honky tonk angel

Who'll take me back in

You never look at me and say i love you

How much more do you think i can stand

Oh when there's an old friend out there and she is waiting

Lord she is happy just holding my hand

*Chorus

Yes there's a honky tonk angel who'll take me back in
