# We Are Rockstars

Par Does It Offend You, Yeah?

*Album : [standalone recordings]*

(Yeah)

You're all rockstars now in a network town

There's no place to go

To be on your own

Making friends and foes

Watch the network grow

Will you find a time

When you're not online

Standing all alone

**Where's your real friends now?**

**You have let them down**

**You're a download pal**

Yeah

**You're all rockstars now in a network town**

**There's no place to go**

**To be on your own**

**Making friends and foes**

**Watch the network grow**

**Will you find a time**

**When you're not online**

**Standing all alone**

**Where's your real friends now?**

**You have let them down**
