No Room For A Saint (feat. Nathan Nicholson)

Par Dom Dolla

Album : F1 The Album (Deluxe)

Like an unraveling thread

My brain is starting to break

I said the future's a circus

But it patiently waits

Like an unraveling thread

For a minute thought I would faint

Said the future's a circus

Ain't no room for a saint

Uh

Ain't no room for a saint

Ain't no room for a saint

Ain't no room for a saint

Ain't no room for a saint

Fly

You see here, that's the thing

Fly

You see here, that's the thing

Like an unraveling thread

My brain is starting to break

I said the future's a circus

But it patiently waits

Like an unraveling thread

For a minute thought I would faint

Said the future's a circus

Ain't no room for a saint

Uh

Fly

You see here, that's the thing

Fly

You see here, that's the thing

History is written by the winners now (you see here, that's the thing)

Don't believe in every king you crown (you see here, that's the thing)

Like an unraveling thread

For a minute thought I would faint

Said the future's a circus

Ain't no room for a saint

Uh

Like an unraveling thread

For a minute thought I would faint

Said the future's a circus

Ain't no room for a saint

Uh

Fly

You see here, that's the thing

Fly

You see here, that's the thing

History is written by the winners now (you see here, that's the thing)

Don't believe in every king you crown (you see here, that's the thing)
