# Heaven Knows (feat Brooklyn Dreams)

Par Donna Summer

*Album : Summer The Original Hits*

Baby, please (Baby, please)

Please don't take your love from me (Please don't take your love from me)

I am yours forevermore (ever more), 'till eternity (oh)

Silently (so silently), listen to the words I say (listen to the words I say)

I'm not talking just for play (just for play)

Listen to me, please (won't you listen to me)

**Heaven knows it's not the way it should be and**

**Heaven knows it's not the way it could be and**

**Don't you know there's no need to leave**

Heaven knows I never wanna leave you

Heaven knows I only wanna please you

Don't you know love is what I need

Down inside (down inside)

Don't get caught with foolish pride (don't get caught with foolish pride)

Put all the other things aside (things aside)

There's only you and me (you and me, you and)

Believe in us (believe in us), we were always meant to be (always meant to be)

Me for you and you for me (you for me), 'till eternity ('till eternity)

**Heaven knows it's not the way it should be and**

**Heaven knows it's not the way it could be and**

**Don't you know there's no need to leave**

Heaven knows I never want to leave you

Heaven knows I only want to please you

Don't you know that love is what I need

**Heaven knows it's not the way it should be and**

**Heaven knows it's not the way it could be and**

**Don't you know there's no need to leave**

Heaven knows I only wanna love you and

Heaven knows I never wanna lose you

Don't you know love is meant to be

Heaven knows it's not the way it should be

And now you know, so stop with the pretending
