Now I Need You

Par Donna Summer

Album : Donna Summer - Collection

Your parting words still echo clear on the day you left me

If you need me, I'll be there, you said you'd always help me

Now I need you, I need you, I need you, I need you

I need you, I need you right now

Now I need you, I need you, I need you, I need you

I need you, I need you right now

I can't seem to satisfy anyone around me

You hold my hand and see me through

All the things that bound me

Now I need you, I need you, I need you, I need you

I need you, I need you right now

Now I need you, I need you, I need you, I need you

I need you, I need you right now

I need you, I need you, I need you, I need you

I need you, I need you right now

Now I need you, I need you, I need you, I need you

I need you, I need you right now

I'm calling you now (oh now I need you)

Calling you now (oh how I need you)

Please come to me now

I need you

I need you (oh how I need you)

I need you (oh how I need you)

I need you (oh how I need you)

(Oh, how I need you)

(Oh how I need you)

(Oh, how I need you)

Having learned to live with you

It's hard to live without you

You always said if I were down

To cheer me, you would be around

Now I need you, I need you, I need you, I need you

I need you, I need you right now

Now I need you, I need you, I need you, I need you

I need you, I need you right now

Now I need you, I need you, I need you, I need you

I need you, I need you right now

Now I need you, I need you, I need you, I need you

I need you, I need you right now

I'm calling you now

(Oh, how I need you)

Calling you now

(Oh, how I need you)

Please come to me now

(Oh, how I need you)

Please come to me now

(Oh, how I need you) I need you now

(Oh, how I need you)
