Train of Pain

Par Dr. Sin

Album : Animal

(Ah-ah) Remember everything you've done

(Ah-ah) Your life has been so wrong

(Ah-ah) Take your seat and enjoy the ride

(Ah-ah) Your destination soon you'll find

You can scream and you can shout

No one can hear you now

You're on the railroad to hell

This train you cannot stop

(Ah-ah) Welcome to the train of pain

(Ah-ah) Don't you worry, you're not insane

(Ah-ah) Through the window passing by

(Ah-ah) Images of your sad life

Ah-ah, you have to face the truth

Ah-ah, there's nothing you can do

No, no, no

You can scream and you can shout

No one can hear you now

You're on the railroad to hell

This train you cannot stop

(Ah-ah) All these things you can't forget

(Ah-ah) There's no time for your regrets

(Ah-ah) Now the train is running fast

(Ah-ah) Justice will be done at last

Ah-ah, who's gonna pray for you?

Ah-ah, there's nothing you can do

Oh no
