Another Day

Par Dream Theater

Album : Forbidden Dreams

Live another day

Climb a little higher

Find another reason to stay

Ashes in your hands

Mercy in your eyes

If you're searching for a silent sky

You won't find it here

Look another way

You won't find it here

So die another day

The coldness of his words

The message in his silence

I face the candle to the wind

This distance in my voice

Isn't leaving you a choice

So if you're looking for a time to run away

You won't find it here

Look another way

You won't find it here

So try another day

They took pictures of our dreams

Ran to hide behind the stairs

And said, "Maybe when it's right for you, they'll fall"

But if they don't come down

Resist the need to pull them in

And throw them away

Better to save the mystery

Than surrender to the secret

You won't find it here

Look another way

You won't find it here

So try another day
