Dua Lipa Feat. DaBaby / Levitating

Par Dua Lipa

Album : Future Nostalgia - The Moonlight Edition

Billboard Baby, Dua Lipa make 'em dance when it come on

E'rybody lookin' for a dance floor to run on

If you wanna run away with me, I know a galaxy

And I can take you for a ride

I had a premonition that we fell into a rhythm

Where the music don't stop for life

Glitter in the sky, glitter in my eyes

Shining just the way I like

If you're feeling like you need a little bit of company

You met me at the perfect time (hey)

You want me, I want you, baby

My sugarboo, I'm levitating

The Milky Way, we're renegading

Yeah, yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight

I need you all night, come on, dance with me

I'm levitating

You, moonlight, you're my starlight (you're the moonlight)

I need you all night, come on, dance with me

I'm levitating

I'm one of the greatest, ain't no debatin' on it (let's go)

I'm still levitatin', I'm heavily medicated

Ironic, I gave 'em love, and they end up hatin' on me (cold)

She told me she love me, and she'd been waitin'

Been fightin' hard for your love, and I'm runnin' thin on my patience

Needed someone to hug, even took it back to the basics

You see what you got me out here doin'? (Yeah)

Might've threw me off, but can't nobody stop the movement, uh-uh (let's go)

Let's go, left foot, right foot, levitatin' (c'mon)

Pop stars (oh), Dua Lipa with DaBaby

I had to lace my shoes for all the blessings I was chasin' (go)

If I ever slip, I'll fall into a better situation

So catch up, go put some cheese on it

Get out and get your bread up (yeah, yeah)

They always leave when you fall, but you run together (hey)

Weight of the world on my shoulders, I kept my head up

Now, baby, stand up, 'cause girl, you

You want me (hey), I want you, baby (hey)

My sugarboo, I'm levitating

The Milky Way, we're renegading

Yeah, yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight

I need you all night, come on, dance with me

I'm levitating

You, moonlight, you're my starlight (you're the moonlight)

I need you all night, come on, dance with me

I'm levitating (whoo)

You can fly away with me tonight

You can fly away with me tonight

Baby, let me take you for a ride

Yeah, yeah, yeah, yeah, yeah

I'm levitating (who)

You can fly away with me tonight

You can fly away with me tonight

Baby, let me take you for a ride

Yeah, yeah, yeah, yeah, yeah

My love is like a rocket, watch it blast off (who)

And I'm feeling so electric, dance my arse off

And even if I wanted to, I can't stop

Yeah, yeah, yeah, yeah, yeah

My love is like a rocket, watch it blast off (who)

And I'm feeling so electric, dance my arse off

And even if I wanted to, I can't stop

Yeah, yeah, yeah, yeah, yeah

You want me, I want you, baby

My sugarboo, I'm levitating

The Milky Way, we're renegading

I got you (yeah), moonlight, you're my starlight

I need you all night (all night), come on, dance with me (let's go)

I'm levitating (whoo)

You can fly away with me tonight (tonight)

You can fly away with me tonight

Baby, let me take you for a ride

Yeah, yeah, yeah, yeah, yeah (take you for a ride)

I'm levitating (whoo)

You can fly away with me tonight (tonight)

You can fly away with me tonight

Baby, let me take you for a ride

Yeah, yeah, yeah, yeah, yeah (let me take you for a ride)

I got you, moonlight, you're my starlight (starlight)

I need you all night, come on, dance with me

I'm levitating
