Chelsea Bridge

Par Duke Ellington

Album : Big Bands 014

I was a stranger in the city

Out of town were the people I knew

I had that feeling of self-pity

What to do, what to do, what to do?

The outlook was decidedly blue

But as I walked through the foggy streets alone

It turned out to be the luckiest day I've known

A foggy day, in London town

Had me low, had me down

I viewed the morning with much alarm

British museum had lost it's charm

How long I wondered

Could this thing last

But the age of miracles hadn't past

For, suddenly, I saw you there

And through foggy London town

The sun was shining everywhere

For, suddenly, I saw you there

And through foggy London town

The sun was shining everywhere

Everywhere

Everywhere

Everywhere
