Careless Memories

Par Duran Duran

Album : Singles Box Set 1981-1985. 02 Careless Memories (1981)

So soon, just after you're gone

My senses sharpen

But it always takes so damn long

Before I feel how much my eyes have darkened

Fear hangs a plane of gunsmoke

Drifting in a room

So easy to disturb

With a thought

With a whisper

With a careless memory

Wiith a careless memory

On the table

Signs of love lie scattered

And the walls break

With a crashing within

It's not as though

As though you really mattered

Being close

How could I let you go

Without some feeling

Some precious sympathy following?

Fear hangs a plane of gunsmoke

Drifting in a room

So easy to disturb

With a thought

With a whisper

With a careless memory

Wiith a careless memory

With a careless memory

Wiith a careless memory

Oh, I walk out into the sun

I try to find a new day

But the whole place

It just screams in my eyes

Where are you now

'Cause I don't want to meet you?

I think I'd die

I think I'd laugh at you

I know I'd cry

What am I supposed to do?

Follow you?

Outside, the thoughts come flooding back, now

I just try to forget you

So easy to disturb

With a thought

With a whisper

With a careless memory

With a careless memory

With a careless memory

With a careless memory

With a careless memory

Look Out

Look Out

Look Out

Look Out
