DANSE MACABRE

Par Duran Duran

Album : DANSE MACABRE: DELUXE

Halloween girl, seize the fray

Brothers and sisters, lead the way

Shackled to the rhythm, your soul is weighed

So you better get down on your knees and pray

Comin' out for the Hawsker mad bull

Jumpin on the hot seat, lyin' in the dead pool

Delivery quake, expensive mistake

The damage, the damage, the damage, the damage

Hey, no way

Some ghost jive in a AC Cobra

Auto-da-fe

Get dirty up on a Danse Macabre

Hey, no way

I had you down for the cat's pajamas

Auto-da-fe

Get dirty up on the Danse Macabre

If you don't mind, if you don't mind

If you don't mind, if you don't mind

If you don't mind, if you don't mind

If you don't mind, if you don't mind

Heaven's sake, don't blow your karma

Liberate your Danse Macabre

Zombie in the back room, nuns in the bed

Kids in KISS makeup, toastin' the bread

An Elvis moans a lone Natty Dread

With death in the living room, offering a head

Are you watching? Are you watching?

Collars and chains and cuffs are matching

Kamikaze stag do, twist and shout

At Sudan Archives on a girls' night out

Hey, no way

Some ghost jive in a AC Cobra

Auto-da-fe

Get dirty up on a Danse Macabre

Hey, no way

I had you down for the cat's pajamas

Auto-da-fe

Get dirty up on the Danse Macabre

If you don't mind, if you don't mind

If you don't mind, if you don't mind

If you don't mind, if you don't mind

If you don't mind, if you don't mind

If you don't mind, if you don't mind

If you don't mind, if you don't mind

If you don't mind, if you don't mind

If you don't mind, if you don't mind

If you don't mind, if you don't mind (For Heaven's sake, don't blow your karma)

If you don't mind, if you don't mind

If you don't mind, if you don't mind (Liberate your Danse Macabre)

If you don't mind, if you don't mind

If you don't mind, if you don't mind (For Heaven's sake, don't blow your karma)

If you don't mind, if you don't mind
