Girls on Film

Par Duran Duran

Album : Dance Club Retro Volume 3

See them walking hand in hand across the bridge at midnight

Heads turning as the lights flashing out are so bright

And walk right out to the four line track

There's a camera rolling on her back, on her back

And I sense a rhythm humming in a frenzy

All the way down her spine

Girls on film

Girls on film

Girls on film

Girls on film

Lipstick cherry all over the lens as she's falling

And miles of sharp blue water coming in where she lies

The diving man's coming up for air

'Cause the crowd all love pulling Dolly by the hair, by the hair

And she wonders how she ever got here

As she goes under again

Girls on film (two minutes later)

Girls on film

Girls on film (got your picture)

Girls on film

Wider, baby, smile and you've just made a million

Fuses pumping live heat twisting out on a wire

Take one last glimpse into the night

I'm touching close, I'm holding bright, holding tight

Give me shudders in a whisper

Take me up 'til I'm shooting a star

Girls on film (she's more than a lady)

Girls on film

Girls on film (two minutes later)

Girls on film

Girls on film (see you together)

Girls on film

Girls on film (see you later)

Girls on film
