Album : UNDERGROWTH

Do

Do-do-do

Do-do-do

Do-do-do-do-do-do

Do

Do-do-do

Do-do-do

(Do-do-do)

Simple things got complicated

No more friends and no more faces

Not what I anticipated

I want to be alleviated

Cut my cloth and clip my wings

Twist my arm and pull my strings

It goes back and forth

And back to me

In my mind, I hear you sing

It goes

Do

Do-do-do

Do-do-do

Do-do-do-do-do-do

Do

Do-do-do

Do-do-do

Do-do-do-do-do-do

Nothing has been said or done

If you and I are anyone

No progress can be ever made

No day will ever feel the same

Cut my cloth and clip my wings

Twist my arm and pull my strings

It goes back and forth

And back to me

In my mind, I hear you sing

It goes

Do

Do-do-do

Do-do-do

Do-do-do-do-do-do

Do

Do-do-do

Do-do-do (in my mind)

Do-do-do-do-do-do (I hear you sing, it goes)

Do (do)

Do-do-do (do)

Do-do-do (do)

Do-do-do-do-do-do (do-oh)

Do (do)

Do-do-do (do)

Do-do-do (do)

Do-do-do-do-do-do (do-oh) (in my mind, I hear you sing)

Do (do)

Do-do-do (do)

Do-do-do (do)

Do-do-do-do-do-do (do-oh)

Do (do)

Do-do-do (do)

Do-do-do (do)

Do-do-do-do-do-do (do-oh)
