Heartache Tonight

Par Eagles

Album : Emotion Collection Reflections [Disc 1]

Somebody's gonna hurt someone

Before the night is through

Somebody's gonna come undone

There's nothin' we can do

Everybody wants to touch somebody

If it takes all night

Everybody wants to take a little chance

Make it come out right

There's gonna be a heartache tonight

A heartache tonight, I know

There's gonna be a heartache tonight

A heartache tonight, I know

Lord, I know

Some people like to stay out late
Some folks can't hold out that long
But nobody wants to go home now
There's too much goin' on

This night is gonna last forever
Last all, last all summer long
Sometimes before the sun comes up
Radio is gonna play that song

There's gonna be a heartache tonight

A heartache tonight, I know

There's gonna be a heartache tonight

A heartache tonight, I know

Lord, I know

There's gonna be a heartache tonight

The moon shinin' bright

So turn out the light and we'll get it right

There's gonna be a heartache tonight

A heartache tonight, I know

Heartache, baby

Somebody's gonna hurt someone (somebody)

Before the night is through

Somebody's gonna come undone

There's nothing we can do

(Everybody) everybody wants to touch somebody

If it takes all night (mmm)

Everybody wants to take a little chance

And make it come out right

There's gonna be a heartache tonight

A heartache tonight, I know

There's gonna be a heartache tonight

A heartache tonight, I know

Let's go

We can feel around the bushes

We can hit down to the ball

We can leave it in the parking lot

But either way there's gonna be a heartache tonight

A heartache tonight, I know

Oh, I know

There'll be a heartache tonight

A heartache tonight I know

Woo-hoo

Break my heart
