The Girl From Yesterday

Par Eagles

Album : Unplugged 1994 - The Second Night (Disc 2)

It wasn't really sad the way they said good-bye
Or maybe it just hurt so bad, she couldn't cry
He packed his things, walked out the door and drove away

And she became the girl from yesterday

He took a plane across the sea
To some foreign land
She stayed at home and tried so hard to understand
How someone who had been so close could be so far away

And she became the girl from yesterday

She doesn't know what's right

She doesn't know what's wrong

She only knows the pain that comes from waiting for so long

And she doesn't count the teardrops

That she's cried while he's away

Because she knows deep in her heart

That he'll be back someday

The light's on in the window, she's waiting by the phone

Talking to a memory that's never coming home

She dreams of his returning and the things that he might say

But she'll always be the girl from yesterday

Yeah, she'll always be the girl from yesterday
