# After The Love Has Gone

Par Earth, Wind & Fire

*Album : Always & Forever - 18 Classic Love Songs*

For a while, to love was all we could do

We were young, and we knew and our eyes were alive

Deep inside, we knew our love was true

For a while, we paid no mind to the past

We knew love would last every night

Something right would invite us to begin the dance

Something had happened along the way

What used to be happy was sad

**Something happened along the way**

And yesterday was all we had

**And, oh, after the love has gone**

How could you lead me on

**And not let me stay around?**

Oh, oh, oh

After the love has gone

What used to be right is wrong

Can love that's lost be found?

For a while, to love each other with all  
We would ever need, love was strong for so long  
Never knew that what was wrong (oh, baby) wasn't right

We tried to find what we had  
'Til sadness was all we shared  
(We were scared) this affair would lead our love into

Something happened along the way

Yesterday was all we had

Something happened along the way

What used to be happy is sad

Something happened along the way

Oh, yesterday was all we had

And, oh, after the love has gone

How could you lead me on (how could you lead?)

**And not let me stay around?**

**Oh, oh, oh**

After the love has gone (after the love)

**What used to be right is wrong**

**Can love that's lost be found?**

Oh, oh, oh, oh, oh, oh

**After the love has gone**

**What used to be right is wrong**

**Can love that's lost be found?**

**Oh, oh, oh**

**After the love has gone**

**What used to be right is wrong**

**Can love that's lost be found?**

Oh, oh, oh

After the love has gone

What used to be right is wrong

Can love that's lost be found?

Oh, oh, oh

Oh, oh, oh

After the love has gone

What used to be right is wrong

Can love that's lost be found?

Oh, oh, oh

After the love has gone

What used to be right is wrong

Can love that's lost be found?

Oh, oh, oh
