After the Love Has Gone (live)

Par Earth, Wind & Fire

Album : Live in Philadelphia 2000

For a while, to love was all we could do

We were young and we knew, and our eyes were alive

Deep inside we knew our love was true

For a while we paid no mind to the past

We knew love would last

Every night somethin' right

Would invite us to begin the dance

Somethin' happened along the way

What used to be happy was sad

Somethin' happened along the way

And yesterday was all we had

And oh, after the love has gone

How could you lead me on

And not let me stay around?

Oh, after the love has gone

What used to be right is wrong

Can love that's lost be found?

For a while to love each other

With all we would ever need

Love was strong for so long

Never knew that what was wrong

Baby, wasn't right

We tried to find what we had

'Til sadness was all we shared

We were scared this affair

Would lead our love into

Somethin' happened along the way

Yesterday was all we had

Somethin' happened along the way

What used to be happy is sad

Somethin' happened along the way

And yesterday was all we had

And oh, after the love has gone

How could you lead me on

And not let me stay around?

Oh, oh, oh after the love has gone

What used to be right is wrong

Can love that's lost be found?

Oh, oh, oh, oh, oh, oh

After the love has gone

What used to be right is wrong

Can love that's lost be found?

Oh, oh, oh, after the love has gone

What used to be right is wrong

Can love that's lost be found?

Oh oh, oh after the love has gone

What used to be right is wrong

Can love that's lost be found?

Oh, oh, oh

Oh, oh, oh after the love has gone

What used to be right is wrong

Can love that's lost be found?

Oh, oh, oh, after the love has gone

What used to be right is wrong

Can love that's lost be found?
