Fall In Love With Me

Par Earth, Wind, & Fire

Album : Soul Hits Of The 80's (2002)

I can tell you that love
Is too deep to be played on
Down the line, you'd find
Time would reveal who to count on
I'm well inclined to use the lines
That comes from the learning tree
Yeah, yeah, let the seed that grows
And ages old give us our destiny

Baby, you know

I could pick you up

Turn your life around

If you fall in love with me

I would build you up

Never let you down

If you fall in love with me

If you're having

Second thoughts from the past

I can cool you out

I've been there before

Right down to the core

I can sing and shout

I can't hold back what I feel

I bring experience

I'll be your rock

When Gibraltar falls

Baby, give me a cause

Baby, you know

I could pick you up

Turn your life around

If you fall in love with me

I would build you up

ICIBILLET.COM

Never let you down

If you fall in love with me

Baby (oh, baby) in love with me

Find yourself a part of me

Baby, in love with me

Help yourself to all of me

I've got your number

And I wanna shout

(Falling in love)

I dig you, baby

Come and check me out

(Falling in love, baby)

Baby, you know

I could pick you up

Turn your life around

If you fall in love with me

I would build you up

ICIBILLET.COM

Never let you down

If you fall in love with me

Baby, in love with me

Find yourself a part of me

Baby, in love with me

Help yourself to all of me

Ba ba ba ba ba

Can you fall in love, oh, baby

Hey, baby, can you

Fall in love with me, yeah

I could pick you up

Turn your life around

If you fall in love with me

I would build you up (oh, baby)

Never let you down

If you fall in love with me

(Yeah, yeah, yeah, yeah)

Ba ba ba ba ba

Can you fall in love with me
