Rescue

Par Echo and the Bunnymen

Album : Echo And The Bunnymen

Hello

If I said I'd lost my way

Would you sympathize?

Could you sympathize?

I'm jumbled up

Maybe I'm losing my touch

I'm jumbled up

Maybe I'm losing my touch

But you know I didn't have it anyway

Won't you come on down to my?

Won't you come on down to my rescue?

Things are wrong

Things are going wrong

Can you tell that in a song?

I don't know what I want anymore

First I want a kiss and then I want it all

Won't you come on down to my?

Won't you come on down to my rescue

Rescue, rescue

C'omon and rescue me

Is this the blues I'm singing?

Is this the blues I'm singing?

Is this the blues I'm singing?

Is this the blues I'm singing?

Is this the blues I'm singing?

Is this the blues I'm singing?

Is this the blues I'm singing?

Is this the blues I'm singing?
