Par ED SHEERAN

Album : Billboard U.S.A. Year End Hot 100 Singles 2014 [Bubanee]

It's late in the evening

Glass on the side up

I've been sat with you

For most of the night

Ignoring everybody here

We wish they would disappear

So, maybe we could get down now

I don't wanna know

If you're getting ahead of the program

I want you to be mine, lady

To hold your body close

Take another step into the no-man's land

For the longest time, lady

I need you darling

Come on set the tone

If you feel you're falling

Won't you let me know, oh-oo

If you love me, come on, get involved

Feel it rushing through you from your head to toe, oh-oo

Oh-oo

Sing (oh-oh-oh-oh, oh, oh)

Oh-oh-oh-oh, oh, oh

Louder (oh-oh-oh-oh, oh, oh)

Sing (oh-oh-oh-oh, oh, oh)

This love is a blaze

I saw flames from the side of the stage

And the fire brigade comes in a couple of days

Until then, we got nothing to say and nothing to know

But something to drink and maybe something to smoke

Let it go until I wrote a change

Singing we found love in a local raid, no

I don't really know what I'm supposed to say

But I can just figure it out and hope and pray

I told them my name and said it's nice to meet ya

Then she handed me of a bottle of water filled with tequila

I already know she's a keeper

Just from this one small act of kindness, I'm in deep

If anybody finds out, I'm meant to drive home

But I'm drunk and gonna live it now, no?

We just sit on the couch

One thing led to another, now she's kissing my mouth

I need you darling

Come on set the tone

If you feel you're falling

Won't you let me know, ooh-oh

Ooh-oh

If you love me, come on, get involved

Feel it rushing through you from your head to toe, ooh-oh

Ooh-oh

Sing (oh-oh-oh-oh, oh, oh)

Oh-oh-oh-oh, oh, oh

Louder (oh-oh-oh-oh, oh, oh)

Sing (oh-oh-oh-oh, oh, oh)

Can you feel it?

All the guys in here don't really wanna dance

Can you feel it?

All that I can hear is music from the back

But can you feel it?

Found you hiding here so hoped you'd take my hand, darling

Before the beats kicks in again

Can you feel it? Oh

Can you feel it? Oh no, no, no

(Sing) I need you darling

Come on set the tone

If you feel you're falling
