Proud of You

Par Eddie Cochran

Album : Eddie Cochran Story Disc 2

I'm just as proud as I can be
And everytime you're out with me
I'm hopin' everyone will see
'Cause I'm so proud of you
When we go walkin' down the street
I show you off to all we meet
You roll your eyes and look so sweet

I'm just so proud of you

When we go home together after school each night
I don't want no other, you're a doll all right
I'm just so proud when I'm with you
The way you wear that cute hair-do
And when you blush, I love that too

I'm just so proud of you
