I'm so glad I've found this

I'm so glad I did

I'm so glad I've found this

I'm so glad I did

People are fragile things, you should know by now

Be careful what you put them through

People are fragile things, you should know by now

You'll speak when you're spoken to

It breaks when you don't force it

It breaks when you don't try

It breaks if you don't force it

It breaks if you don't try

People are fragile things, you should know by now

Be careful what you put them through

People are fragile things, you should know by now

You'll speak when you're spoken to

With one hand you calm me

With one hand I'm still

With one hand you calm me

With one hand I'm still

People are fragile things, you should know by now

Be careful what you put them through

People are fragile things, you should know by now

You'll speak when you're spoken to

Ahhhh

You'll speak when you're spoken to

You'll speak when you're spoken to

He'll speak when he's spoken to

She'll speak when she's spoken to
