# Wishing Well

Par Edu Falaschi

*Album : Temple of Shadows In Concert*

Close your eyes, what do you see?

Takes a while to believe

Feel the wind kissing your chin

Hold your cries make your wish

Dream away, breath

Why did it take so long to understand?

Black sheep of the flock

Will soon be banned

Don't lose your hope, wish away

**Journey to the sacred**

**Ground of dreamland**

**To one's heart's content I'll be free again**

**Visions telling secrets on the dreamland**

**And my fortune ends**

**In the wishing well**

Close your eyes what do you feel?

Hold your cries keep it still

Where am I? Why am I here?

Reasons where

Reasons why

**Journey to the sacred**

**Ground of dreamland**

**To one's heart's content I'll be free again**

**Visions telling secrets on the dreamland**

**And my fortune ends**

**In the wishing well**

**Journey to the sacred**

**Ground of dreamland**

**To one's heart's content I'll be free again**

Visions telling secrets on the dreamland

And my fortune ends

In the wishing well

Make your dreams

Come true again

Dreaming is believing

My wishing well
