Still Waiting

Par Electric Callboy, FRANK ZUMMO

Album : Still Waiting

So, am I still waiting for this world to stop hating?

Can't find a good reason

Can't find hope to believe in

Drop dead, a bullet to my head

Your words are like a gun in hand

You can't change the state of the nation

We just need some motivation

These eyes have seen no conviction

Just lies and more contradiction

So, tell me, what would you say?

I'd say it's up to me

So, am I still waiting for this world to stop hating?

Can't find a good reason

Can't find hope to believe in

Ignorance and understanding

We're the first ones to jump in line

Out of step for what we believe in

But who's left to stop the bleeding?

How far will we take this?

It's not hard to see through the fakeness

So, tell me, what would you say?

I'd say it's up to me

So, am I still waiting for this world to stop hating?

Can't find a good reason

Can't find hope to believe

This can't last forever

Time won't make things better

I feel so alone, can't help myself

And no one knows if this is worthless, tell me

What have we done with a war that can't be won?

This can't be real 'cause I don't know what to feel, no

What have we done with a war that can't be won?

This can't be real 'cause I don't know what to feel

So, am I still waiting for this world to stop hating?

Can't find a good reason

Can't find hope to believe

So, am I still waiting for this world to stop hating?

Can't find a good reason

Can't find a -, take back place
