Above The Clouds

Par Electric Light Orchestra

Album : A New World Record [2006 Remaster]

Oh, in the heat of the night

Yeah, when things ain't goin' right

No, no, no, no, no, no, no, you will remember me

I came along to see your face

But the only thing I got from you

Was telling me it's fantasy

That you would always be with me

I can tell you that's it's true

I can tell you that's it's true (oh, yes, it's true)

I'm waiting here

But it's alright, it's alright, it's alright

But it's alright with me, you better believe me now

I guess it's like a mountainside

You've got to climb it to the top

Floating in a sea of dreams

The only thing that you can see

Is the view above the clouds

Is the view above the clouds (above the clouds)

I'm waiting here

But it's alright, it's alright, it's alright

Still it's alright with me, you better believe me now
