# Showdown

Par Electric Light Orchestra

*Album : Mr. Blue Sky: The Very Best of Electric Light Orchestra*

She cried to the southern wind  
'Bout a love that was sure to end  
Every dream in her heart was gone  
Headin' for a showdown

Bad dreamer, what's your name?  
Looks like we're ridin' on the same train  
Looks as though there'll be more pain

**There's gonna be a showdown**

**And it's rainin' all over the world (rainin' all over the world)**

It's raining all over the world (rainin' all over the world)

**Tonight, the longest night**

She came to me like a friend

She blew in on a southern wind

Now my heart is turned to stone again

**There's gonna be a showdown**

Save me!

Oh, save me!

It's unreal, the suffering

**There's gonna be a showdown**

**And it's rainin' all over the world (rainin' all over the world)**

**Raining all over the world (rainin' all over the world)**

**Tonight, the longest night**

**(Raining, raining)**

**(Raining, raining)**

**(Raining all over the world)**

**(Raining all over the world)**

The longest night

And it's rainin' all over the world (rainin' all over the world)

Raining all over the world (rainin' all over the world)

Tonight, the longest night

You gotta save me, girl

When I'm ready for saving

Oh, I'm a fool for you

You know I need you now

Come on and save me

Can't you feel what you're doin' to me now?

I'm on the run again

Gotta save your soul
