Tightrope

Par Electric Light Orchestra

Album : A New World Record [2006 Remaster]

They say, some days you're gonna win

They say, some days you're gonna lose

I tell you, I got news for you

You're losing all the time, you never win, no

If you believe that's how it's gonna be

I'd better put you down

Get off your tightrope up there

Come down on the ground

You gotta save me now

You better turn around

Ooh, when I looked around (Looked around)

Ooh, I was heading down

Won't somebody throw me down a line?

Hey, hey, hey

Hey, hey, hey

They say, some days you gotta give

(Hey, hey, hey)

They say, some days you gotta take

(Hey, hey, hey)

If that's the way it's gotta be

(Hey, hey, hey)

Roll it over, and you will see

(Hey, hey, hey)

The city streets are full of people

Goin' nowhere, makin' time

The change from night to day is really only hours

It's just along the line, can't you see the sign?

Ooh, when I looked around (Looked around)

Ooh, I was heading down

Won't somebody throw me down a line?

I want to look you straight in the eye

(Hey, hey, hey)

I want to tell you how I really feel

(Hey, hey, hey)

I can feel the wheels are turnin' 'round

(Hey, hey, hey)

Won't somebody throw me down the line?

(Hey, hey, hey)

The city streets are full of people

Goin' nowhere, makin' time

The change from night to day is really only hours

It's just along the line, can't you see the sign?

Ooh, when I closed my eyes (Closed my eyes)

Ooh, I was so surprised

Somebody had thrown me down the line

Stopped me drownin'

Somebody had thrown me down the line

Somebody
