Dancing

Par Elisa

Album : Intimate - Recordings at Abbey Road Studios

Time is gonna take my mind

And carry it far away where I can fly

The depth of life will dim

My temptation to live for you

If I were to be alone silence would rock my tears

'Cause it's all about love and I know better

How life is a waving feather

So I put my arms around you, around you

And I know that I'll be leaving soon

My eyes are on you, they're on you

And you see that I can't stop shaking

No I won't step back

But I'll look down to hide from your eyes

'Cause what I feel is so sweet

And I'm scared that even my own breath

Oh, could burst it, if it were a bubble

And I'd better dream if I have to struggle

So I put my arms around you, around you

And I hope that I will do no wrong

My eyes are on you, they're on you

And I hope that you won't hurt me

I'm dancing in the room

As if I was in the woods with you

No need for anything but music

Music's the reason why I know time still exists

Time still exists

Time still exists

Time still exists

So I just put my arms around you, around you

And I hope that I will do no wrong

My eyes are on you, they're on you

And I hope that you won't hurt me

My arms around you, they're around you

And I hope that I will do no wrong

My eyes are on you, they're on you

They're on you

My eyes
