# Burn

Par Ellie Goulding

*Album : Billboard 18th January 2014 Top40*

We, we don't have to worry 'bout nothing (nothing, nothing)

'Cause we got the fire, and we're burning one hell of a something (something, something)

They, they're gonna see us from outer space, outer space

Light it up, like we're the stars of the human race, human race

**When the light started out, they don't know what they heard**

**Strike the match, play it loud, giving love to the world**

**We'll be raising our hands, shining up to the sky**

**'Cause we got the fire, fire, fire**

**Yeah, we got the fire, fire, fire**

**And we gonna let it burn, burn, burn, burn**

**We gonna let it burn, burn, burn, burn**

**Gonna let it burn, burn, burn, burn**

**We gonna let it burn, burn, burn, burn**

We don't wanna leave, no, we just wanna be right now, right, ri-ri-right now

And what we see is everybody's on the floor acting crazy, getting loco 'til the lights out

Music's on, I'm waking up, we fight the fire, then we burn it up

And it's over now, we got the love, there's no sleeping now, no sleeping now (no sleeping)

**When the light started out, they don't know what they heard**

**Strike the match, play it loud, giving love to the world**

**We'll be raising our hands, shining up to the sky**

**'Cause we got the fire, fire, fire**

**Yeah, we got the fire, fire, fire**

**And we gonna let it burn, burn, burn, burn**

**We gonna let it burn, burn, burn, burn**

**Gonna let it burn, burn, burn, burn**

**We gonna let it burn, burn, burn, burn**

**When the light started out, they don't know what they heard**

**Strike the match, play it loud, giving love to the world**

We gonna let it burn, burn, burn, burn, burn, burn

Burn, burn, burn, burn, burn, burn

**We can light it up, up, up**

**So, they can't put it out, out, out**

**We can light it up, up, up**

**So, they can't put it out, out, out**

**We can light it up, up, up**

**So, they can't put it out, out, out**

**We can light it up, up, up**

**So, they can't put it out, out, out**

**When the light started out, they don't know what they heard**

Strike the match, play it loud, giving love to the world

We'll be raising our hands, shining up to the sky

'Cause we got the fire, fire, fire

Yeah, we got the fire, fire, fire

And we gonna let it burn, burn, burn, burn

We gonna let it burn, burn, burn, burn

Gonna let it burn, burn, burn, burn

We gonna let it burn, burn, burn, burn

When the light started out, they don't know what they heard

Strike the match, play it loud, giving love to the world

We'll be raising our hands, shining up to the sky

'Cause we got the fire, fire, fire

Yeah, we got the fire, fire, fire

And we gonna let it burn
