# Idon?t Wanna Go On With You

Par Elton John

*Album : The Emotion Collection - Separate Lives - [Disc 1]*

I've always said that one's enough to love  
Now I hear you're braggin' one is not enough  
Well, somethin' tells me you're not satisfied  
You got plans to make me one of four or five  
  
I guess this kind of thing's just in your blood  
But you won't catch me carvin' up my love  
I ain't no puzzle piece that needs to fit  
If it takes more than me, let's call it quits

**'Cause I don't wanna go on with you like that**

**Don't wanna be a feather in your cap**

**I just wanna tell you, honey, I ain't mad**

**But I don't wanna go on with you like that**

Oh-oh-oh

Whoa-oh

Whoa-oh

Oh, yeah

It gets so hard sometimes to understand

This vicious circle's getting out of hand

Don't need an extra eye to see

That the fire spreads faster in a breeze

**And I don't wanna go on with you like that**

**Don't wanna be a feather in your cap**

**I just wanna tell you, honey, I ain't mad**

**But I don't wanna go on with you like that**

**No, I don't wanna go on with you like that**

**One more set of boots on your welcome mat**

**You'll just have to quit 'em if you want me back**

**'Cause I don't wanna go on with you like that**

Oh-oh-oh

Whoa-oh

Whoa-oh

Oh, yeah

Oh, if you wanna spread it around, sister, that's just fine

But I don't want no second hand feeding me lines

If you wanna hold someone in the middle of the night

Call out the guards, turn out the light

**And I don't wanna go on with you like that**

**Don't wanna be a feather in your cap**

**I just wanna tell you, honey, I ain't mad**

**But I don't wanna go on with you like that**

**No, I don't wanna go on with you like that**

**One more set of boots on your welcome mat**

**You'll just have to quit 'em if you want me back**

**No, I don't wanna go on with you like that**

Oh-oh-oh

Whoa-oh

Whoa-oh

Oh, yeah

Oh-oh-oh

Whoa-oh

Whoa-oh

Oh, yeah

**I don't wanna**

**I don't wanna**

I don't wanna go on with you like that

Oh, yeah

Takin' me back
