# Rocket Man (I Think It's Going To Be A Long Long Time)

Par Elton John

*Album : The Red Piano LP1 [2008 Redline] USA*

She packed my bags last night pre-flight

Zero hour, 9:00 a.m

And I'm gonna be high as a kite by then

I miss the earth so much, I miss my wife

It's lonely out in space

On such a timeless flight

**And I think it's gonna be a long, long time**

**'Till touch down brings me 'round again to find**

**I'm not the man they think I am at home**

**Oh no, no, no**

**I'm a rocket man**

**Rocket man burning out his fuse up here alone**

**And I think it's gonna be a long, long time**

**'Till touch down brings me 'round again to find**

**I'm not the man they think I am at home**

**Oh no, no, no**

**I'm a rocket man**

**Rocket man burning out his fuse up here alone**

Mars ain't the kind of place to raise your kids

In fact it's cold as hell

And there's no one there to raise them if you didn't

And all this science, I don't understand

It's just my job, five days a week

**A rocket man**

**A rocket man**

**And I think it's gonna be a long, long time**

'Till touch down brings me 'round again to find

I'm not the man they think I am at home

Oh no, no, no

I'm a rocket man

Rocket man burning out his fuse up here alone

And I think it's gonna be a long, long time

'Till touch down brings me 'round again to find

I'm not the man they think I am at home

Oh no, no, no

I'm a rocket man

Rocket man burning out his fuse up here alone

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time
