Suspect My Tears

Par Elvis Costello, The Imposters

Album : Look Now (Deluxe Edition)

Do you remember how to say please?

You've had your own way for such a long time

Your lash is sweet down, I dry your cheek

You think I'm powerless when you speak

You may have something, I don't deny

You look so beautiful when you cry

If I seem unconcerned

Perhaps it's time you learned

I'll cry until you suspect my tears

I'll cry until you suspect my tears

You're not the only one who can turn it on

When and where you need it

Do you remember how bad it felt?

Big eyes would fill up

Your lip would tremble

You want to hurt me

But then you melt

You always promise to lose control

I learned a trick that you used to play

I'm tired of you having it your own way

With the power to persuade

Beginning to cascade

I'll cry until you suspect my tears

I'll cry until you suspect my tears

You're not the only one who can turn it on

When and where you need it

If you be weeping, I may be cheating or just laughing inside

If you're so special, then that's why in vicious is your chance to decide

Two hypocrites collide

I'll cry until you suspect my tears

I'll cry until you suspect my tears

You're not the only one who can turn it on

Where and when you need it

When you need it

I'll cry until you suspect my tears

I'll cry until you suspect my tears

You're not the only one who can turn it on

When and where you need it

When you need it

I'll cry until you suspect my tears

I'll cry until you suspect my tears

I'll cry until you suspect my tears

I'll cry until you suspect my tears
