# Can't Help Falling In Love

Par Elvis Presley

*Album : 1971 Summer Festival (Disc 2)*

Wise men say

Only fools rush in

But I can't help

**Falling in love with you**

Shall I stay?

Would it be a sin

If I can't help

Falling in love with you?

**Like a river flows**

**Surely to the sea**

**Darling, so it goes**

**Some things are meant to be**

**Take my hand**

**Take my whole life too**

**For I can't help**

**Falling in love with you**

**Like a river flows**

**Surely to the sea**

**Darling, so it goes**

**Some things are meant to be**

**Take my hand**

**Take my whole life too**

**For I can't help**

**Falling in love with you**

**For I can't help**

**Falling in love with you**
